letter dated 30th September 1938 from Mr Isvaran, Trade Commissioner for Mysore in London, requesting that three months leave with effect from 1.9.1938 granted to him in Govt Notification No 2987-C13-131-37-3 d. 19.4.1938 may be extended by one month.

(Seen by Dew. Secy, Second Member and Dewan

90) According to the conditions relating to the first terms of his appointment as Trade Commissioner, Mr Isvaran was entitled to three months leave which he applied for and utilised from 1st July 1938. The leave expired on the 30th September. Mr Isvaran requests that it may be extended by another month.

91) As regards the nature of the leave last granted to Mr Isvaran, reference is invited to the Financial Secretary's minute d. 8/6/38 at para 76. Though the nature of the leave has not been indicated, the understanding seems to be that the leave should be set off against privilege leave or furlough on full average salary which was at his credit on 30.6.1938. The Comptroller ~~may~~ may be requested to furnish a certificate as to the leave that may be granted to Mr Isvaran in continuation of the leave that has already been availed of by him.

92) One other point that may have to be settled in connection with the present application for leave of Mr Isvaran, is about the salary to be allowed to him during the extended period. During his recent

NOTE—Contn. Sheet.

WD 01955—GPB—22,500—12-6-34

leave, he was allowed the full salary that he would get in his appointment as D.C., irrespective of the name of his leave. Mr. Isvaran is a permanent Second class Deputy Commissioner and he will have a chance of acting in the first class from 13.10.1938. If the 3 months leave availed of by him be treated as privilege leave, the extended period can only be furlough. The leave allowances during the extended period of leave has perhaps to be regulated according to the ordinary rules of the M.S.R.,

93) Draft of letter to the Comptroller calling for a leave certificate is put up.

Submitted.

VS. 4/10

94 The point for orders is what kind of leave should be given to Mr T.V.A. Isvaran for the extra period of one month now asked for.

95 Under ~~his~~ the terms re: his first appt. as Trade Com'r. for 3 yrs, he could have "3 months leave on allowances equal to his ordinary pay in Mysore". Those terms do not indicate the nature of the leave nor its effect on the other leave previously earned by him. In interpretation of this, the Fri. Secy has expressed the view (vide paras 75 & 76 above) that the leave referred to is "Special" leave as the officer is allowed to draw full salary irrespective of other considerations. The Fri. Secy. further noted that

Serial No.

it was presumed to be the intention to set-off this leave against privilege or furlough on full average salary at the credit of the Officer and not to give it in addition to such other leave. The Comptroller has been informed accordingly.

96 Mr. Iswaran has already had 3 months' leave which will probably be counted against privilege leave earned by him. He has now asked for an extension of his privilege leave ~~for~~ by one month.

97 Drafts of a letter to Comptroller calling for leave certificate, and of a letter to Mr. Iswaran are put up.

(Formal notifn. may issue later after reply from Comptroller is received, in consultation with the Fin Sec.

D.O. letter No. 120/GAD d. 25.10.1938

Intimates that Mr Isvaran had at his credit privilege leave for one month and one day and furlough for three years on 26.8.1935 on which date he assumed charge of the T.C. for Mysore in London.

104. Mr Isvaran assumed charge of the office of the Trade Comm^r. for mysore in London on 26.8.35 and on that date he had at his credit privilege leave for one month and one day and furlough for three years. He was, thereafter, continuously on duty till 30.6.1938 and he proceeded on 3 months' leave from 1.7.1938. During the interval from 26.8.1935 to 30.6.38. (2 yrs 10 m and 5 d.) he will have earned three months and three days privilege leave. According to Art 162 of the M.S.R., however, the max. amount of privilege leave that an officer can have at his credit at one time is only 3 months.

105. In connection with the present application of Mr Isvaran for extension of his leave by one month from 1.9.1938, the following points arise for settlement.

(i) Whether the one months leave now applied for may be treated as an part with the

leave already availed of by him and whether he may be allowed to draw leave allowances equal to the salary which he would have drawn if he were on duty as Dep. Comr.

Regarding this, it may be pointed out that the terms of his first appt as Trade Commr provide for the grant of only 3 months leave. "W"

~~(iii) whether the leave allowances may be debited to the budget of the T.C.'s office.~~

Mr. Isvaran has a superior lien over the T.C.'s post as his term of appointment has been extended and the leave allowances will, perhaps, be a legitimate charge on the funds of the T.C.'s office.

Subd with reference to Second Member's minute d. 14.10.1938 at para 100 supra.

28/10

The three months' leave first availed of is "Special leave" on full salary as Dr. given under the terms of his appt. as T.C., and may perhaps be set off against leave earned by him during the period of his Service as Trade Comr. A

The extra month's leave given to him may perhaps be debited to the privilege leave (1 month & 1 day) which was at his credit prior to his appt. as T.C.

My dear Mr Kesavaiengar,

I write to invite reference to Government Order No. 2434/7/CB/143/34/2, dated the 11th May, 1935, appointing me as Trade Commissioner for Mysore in London on certain terms, and to request you to kindly obtain the sanction of Government for the grant of three months' leave to be utilised from or after the 15th June next.

I may be permitted to mention that the order in question, which allows me to draw leave allowances equal to my ordinary pay in Mysore, does not give me the benefit of the full allowances which have accrued by reason of my uninterrupted service of nearly three years abroad, and I, therefore, request that this aspect of the matter may now be taken into consideration, and my request for the grant of leave allowances equal to my English pay may be sanctioned.

I recommend that during my absence on leave, Capt. S.T. Binstead, Assistant Trade Commissioner, may be placed in charge of the current duties of this office.

Yours sincerely,

With reference to your No. 6116, dated 24th May, and in continuation of my letter dated 28th June, the photographs received have been widely circulated for publication throughout England and America, and very good publicity has been received.

As I instructed the various publishers to send copies direct, you will no doubt have received these, including the American Journal, "Life", dated 15th August, page 28. I notice they have changed my introductory notes considerably, bringing them into line with their American ideas, which I am afraid appear a little crude.

There were no charges whatever in connection with this matter.

Yours faithfully,
